

La liste ci-dessous indique les noms et les organisations de contributeurs de données pour le rapport « Totaux Annuels des Comptages des DIOE 2009-2012 ». Informations de contact, sites web et logos sont incluses lorsqu'elles sont disponibles à Wetlands International.

Nous tenons à exprimer notre gratitude et nos sincères remerciements à tous les coordinateurs nationaux et observateurs qui ont partagé ces précieuses informations. Nous aimerions également faire une mention spéciale du triste trépas en 2012 de Georges Henry Ouéda, le Coordonnateur National pour le Burkina Faso. Georges a fait d'importantes contributions à la DIOE et autres efforts de conservation dans le Burkina Faso et va beaucoup nous manquer.
