

## COP22 Marrakech Official Side-Event

MARRAKECH COP22|CMP12  
UN CLIMATE CHANGE CONFERENCE 2016

**Saturday 12 November**  
**13.15 – 14.45**

**Arabian room**  
**Blue Zone**  
Accreditation required

### BLUE CARBON

#### Incorporating Blue Carbon into Nationally Determined Contributions under the Paris Agreement

**Coastal blue carbon ecosystems – mangroves, tidal marshes and seagrass meadows – present considerable potential for carbon storage and resilience**

Join experts from Government, Industry and non-Government Organisations to:

- share lessons learned from the challenges and opportunities involved in protecting the blue carbon ecosystems
- hear case studies on project work at the local and site-level
- consider approaches for incorporating blue carbon into national policy and NDCs

*The event will be followed by afternoon tea and networking*

**Wetlands**
