

## Partners for Resilience Networking Event

Global Platform for DRR, 5<sup>th</sup> session, 22-26 May, Cancun, Mexico

### Theme | Global Ambitions, local work A climate change adaptation and ecosystem management focus

**Monday, 23 May 2017, 17.00-19.00**

**Venue: Moon Palace Resort , Room: Sunrise 9**

**Abstract |** During this event we will present experiences from the global, national and local levels to strengthen community resilience. The emphasis will be on approaches that adopted a holistic approach to manage risks across policy areas, taking into account climate change and the role of eco-systems in Disaster Risk Reduction.
